INFORMATION AND
RECORDS ASSOCIATION**

Montana Law Enforcement Information and Records Association

Our Purpose

The Montana Law Enforcement Information and Records Association is being formed to:

- Train and educate records personnel from law enforcement agencies from throughout Montana.
- Establish standardized and effective procedures.
- Promote and advance the profession of law enforcement information and records personnel.
- Effect and maintain liaisons with law enforcement associations on legislation pertaining to issues related to records maintenance, dissemination and confidentiality.
- Advance individual knowledge and techniques by exchanging professional experiences and information related to the fields of information and record management.

Our Goals

- To associate persons who are actively engaged in the management or supervision of criminal justice records.
- To create an organized body so that the profession in all branches may be standardized and effectively practiced.
- To provide legal updates.
- To create a network of information to provide members with the latest information available.
- To encourage research for the betterment of records keeping.
- To keep its members apprised of the latest changes in record management.
- To provide training on issues of relevance to Criminal Justice personnel and assist them in the discharge of their responsibilities.
- To achieve professionalism.
- To maintain high standards of performance.
